Jumpstart! Summer Shows

2009 will be our 9th year of Jumpstart! Summer Shows. Jumpstart! Summer productions are professional level plays with all the elements of theatre costumes, sets, sound, lights (staffed by paid experienced theatre workers and designers!) That means real performances in front of real audiences in a real theatre! Some young actors have been doing Jumpstart! Shows for all 9 years. They're so challenging, rewarding, and FUN! And thanks to generous donations, we're able to lower our cost and your fees.

Youth Jumpstart! The Story of a Midsummer Night's Dream

Yes, Shakespeare! We've edited the script but are still using his magical words. In the woods, fantastic characters spin tales, play tricks and party. There's a sword fight or two, clowning, juggling, and jokes.

Dukes, queens, maidens, fairies and masked animals all romp through the forest. We'll have great costumes and lots of action. Directed by Lorry Lepaule with Kathy O'Grady

Ages 7-13. This cast will meet **Mon-Thurs, 9:30-12:30**

Teen Jumpstart! The Music Room

A woman with three teen-aged sons, all musicians, plans to marry a man with two teen-aged daughters. But the problems of blending these families may be insurmountable. The middle brother's girlfriend and a handsome piano teacher create complications. Can this marriage take place? It all depends on what happens in "The Music Room"!!! This comedy drama has no small parts, each character plays a substantial role in the story. The play is written by and will be directed by Dan Kozloff.

The casting requires 4 teen-aged girls and 4 teen-aged boys.

Ages 13-18. This group will meet **Mon-Thurs, 1:00-4:00.**

Classes begin June 22 and go through July 26.

Actors do not audition—everyone who enrolls gets a part in the play. These are popular classes, so sign up early! Sign-ups begin June 1st, at the Mendocino Community Center

Class Fee \$294.00

Some scholarships available
