

Beginning String Jam

C.V. Starr Community Center

Sigrid & Harry Spath Aquatic Facility

Class designed for those who have graduated from simple strings or those with basic experience on violin and cello. We will learn and play simple (yet fun!) folk tunes by ear. Class is open to beginning and intermediate students; tunes will be learned slowly. Some basic technique instruction and sight-reading practice may be included if it is desired by students.

Myra Joy figured out how to open her sister's violin case at the age of three, and demanded (politely I'm sure) a cello once she reached the ripe old age of six; she has been playing and performing ever since. In 2004, she completed her B.M. in cello performance with Jean-Michel Fonteneau at the San Francisco Conservatory of Music.
