

# Simple Strings

C.V. Starr Community Center

Sigrid & Harry Spath Aquatic Facility

Have a violin or cello in your closet? This class is perfect for learning the basics of comfortable playing for violin and cello. Beginners welcome! We will practice bow holds, how to hold the violin/cello and simple songs. Rental instruments are available by contacting the instructor.

*Myra Joy figured out how to open her sister's violin case at the age of three, and demanded (politely, I'm sure) a cello once she reached the ripe old age of six; she has been playing and performing ever since. In 2004, she completed her B.M. in cello performance with Jean-Michel Fonteneau at the San Francisco Conservatory of Music.*
