Follow Eva on her 500-Mile Pilgrimage To Camino De Santiago. On foot over the Pyrenees and across Northern Spain through beautiful landscapes, forlorn villages and spectacular ancient cities.

She has been in more churches, monasteries and cathedrals than she can count, and met wonderful, interesting people from all over the world along the way. She has slept in bunk beds and on floors, been bitten by bedbugs and lulled to sleep by snoring pilgrims, and awoken by church bells. Come along on her journey, and enjoy the stories!
