3.0 INFORMATION/DISCUSSION

3.1 Review Regional Park Property trespassing issues.

- Carly Wells reported that as a result of the last Board of Directors meeting, the topic of trespassing at the Hwy 20 Property was addressed. People are now cutting trails next to where the cement blocks have been placed. Trash dumping and drug paraphernalia have also been found out there.
- The sheriff's office was contacted by Chair Burkey and a meeting was set up with MCRPD staff.

3.2 Discussion of the Meeting between staff and the Mendocino County Sherriff's Department held on 2/1/21 as it pertains to the MCRPD Hwy 20 Property trespassing issues.

- The sheriff's office was contacted by Chair Burkey and a meeting was set up with MCRPD staff.
- Lieutenant Comer was the representative from the sheriff's office in attendance. He said he understood the ongoing battle of illegal activity at the property. They are willing to, in the spring when weather is better, go and survey parts that MCRPD staff has not seen yet.
- Dominguez expressed a desire to go on the survey trip and get a tour of the property.
- Keith Stiver mentioned that he sees a lot of activity of people walking around. He agreed that is not staffs role to confront these people. He also offered to go on the survey trip.

3.3 Review Letter of Agency Submitted to the Mendocino County Sherriff's Office and the potential extension.

- Moneque Wooden went over the letter of agency. It allows for MCRPD to be bypassed if then sheriff's office is called. It would allow for the sheriff to issue citations and use their authority and have access to the property. The letter will be good for 12 months.
- Bushansky and Dominguez say they recommend to the full board to sign it at the next regular meeting.
